NOTICE TO QUALIFIED PROFESSIONAL

The above-named person is requesting accommodations on the Arkansas Bar Examination. All such requests must be supported by a comprehensive written evaluation report from the qualified professional who conducted an individualized assessment of the applicant and is recommending accommodations on the bar examination based on a physical disability. The Board of Law Examiners also requires qualified professionals to complete this form. **If any of the information requested in this form is fully addressed in the comprehensive evaluation report, you may respond by citing the specific page and paragraph where the answer can be found.** Attach a copy of the comprehensive evaluation report and all records and test results on which you relied in making the diagnosis and recommending accommodations for the Arkansas Bar Examination. We appreciate your assistance.

The provision of reasonable accommodations is based on assessment of the current impact of the disability on the specific testing activity. The Board generally requires documentation from an evaluation conducted within the past year because of the changing manifestations of many physical disabilities. Older evaluation reports may suffice if supplemented by an update of the diagnosis, current level of functioning, and a rationale for each recommended accommodation or an explanation of why the report continues to be relevant in its entirety.

The Board may forward this information to qualified professionals for an independent review of the applicant's request. Print or type your responses to the items below. **Return this completed form, the comprehensive evaluation report, and relevant records to the applicant for submission to the Board.**

III. ACCOMMODATIONS RECOMMENDED FOR THE ARKANSAS BAR EXAMINATION (CHECK ALL THAT APPLY)

The Arkansas Bar Examination is a timed written examination administered in three-hour sessions from 9:00 a.m. to 12:00 p.m. and from 1:30 p.m. to 4:30 p.m. on Tuesday and Wednesday as scheduled twice a year. There is a lunch break from 12:00 p.m. to 1:00 p.m. each day.

The first day consists of two performance tests (MPT) in the morning session and six essay (MEE) questions in the afternoon session. The essay and performance questions are designed to assess, among other things, the applicant's ability to communicate his/her analysis effectively in writing. Applicants may use their personal laptop to type their answers or they may handwrite their answers.

The second day consists of 200 multiple-choice questions (MBE), with 100 questions administered in the morning session and 100 questions administered in the afternoon session. Applicants record their answers by darkening circles on an answer sheet that is scanned by a computer to grade the examination.

Applicants are assigned seats in a room set for 50- 300 applicants. The examination is administered in a quiet environment, and applicants are allowed to use small foam earplugs which are provided. They are not allowed to bring food or drinks into the testing room unless approved as accommodations. They may leave the room only to use the restroom or drinking fountain near the testing room; however, applicants are not provided additional testing time when leaving.

Taking into consideration this description of the examination and the functional limitations currently experienced by the applicant, what test accommodation (or accommodations, if more than one would be appropriate) do you recommend?
