IN RE: JUSTIN LEE CRAWLEY
ARKANSAS BAR ID #2016105
CPC Docket No. 2025-009

ORDER OF INTERIM SUSPENSION

Robert Brech, Executive Director of the Supreme Court Office of Professional Conduct, has presented to the Committee his verified Petition for Interim Suspension, pursuant to Section 16.A(3) of the Supreme Court Procedures Regulating Professional Conduct of Attorneys at Law (2011) (the "Procedures"), alleging Respondent Justin Lee Crawley, Arkansas Bar No. 2016105, engaged in conduct involving misappropriation of funds or property and presently poses a substantial threat of serious harm to the public and to his clients if he continues to practice law. Also presented was a signed agreement, confirming consent by Justin Lee Crawley to the interim suspension, and waiving a hearing in this matter.

The Arkansas Supreme Court Committee on Professional Conduct (the "Committee"), pursuant to the mandate of Section 16 of the Procedures, finds the Respondent engaged in conduct involving a substantial threat of serious harm to the public or to the lawyer's clients. The Committee finds that if Justin Lee Crawley continues to practice law, the public will suffer irreparable harm; that the threatened injury to the public greatly outweighs any damage that Justin Lee Crawley would suffer from the suspension; that Justin Lee Crawley's suspension is not adverse to public interest; and that there is a substantial likelihood that the Office of Professional Conduct will meet its burden in proving serious misconduct violations of the Rules of Professional Conduct.

The Committee further finds that an interim suspension of Justin Lee Crawley's privilege to practice law under the authority of his Arkansas law license shall be imposed pursuant to Section 17.E(3)(c)(i) and (iii), of the Procedures (2011).

It is therefore ORDERED that Respondent Justin Lee Crawley be, and he is hereby, **SUSPENDED** from the practice of law within this jurisdiction immediately upon the filing of this Order with the Clerk of the Arkansas Supreme Court.
